**DELIVRA CORP.
(the “Company”)**

AUDIT COMMITTEE CHARTER

1. Mandate

The audit committee will assist the board of directors (the “**Board**”) in fulfilling its financial oversight responsibilities. The audit committee will review and consider in consultation with the auditors the financial reporting process, the system of internal control and the audit process. In performing its duties, the committee will maintain effective working relationships with the Board, management, and the external auditors. To effectively perform his or her role, each committee member must obtain an understanding of the principal responsibilities of committee membership as well and the company’s business, operations and risks.

2. Composition

The audit committee will consist of a minimum of three directors.

2.1 Independence

A majority of the members of the audit committee must not be officers, employees or control persons of the Company. If the Company ceases to be a “venture issuer” as that term is defined in *National Instrument 52-110 – Audit Committees* (“**NI 52-110**”), then all of the members of the audit committee shall be free from any material relationship with the Company within the meaning of NI 52-110.

2.2 Financial Literacy of Committee Members

Each member of the audit committee must be financially literate or must become financially literate within a reasonable period of time after his or her appointment to the committee. A person is generally considered “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.

2.3 Replacement of Committee Members

Any member of the audit committee may be removed or replaced at any time by the Board and automatically ceases to be a member of the audit committee upon ceasing to be a director.

The Board may fill vacancies on the audit committee by appointing another director to the committee. The Board will fill any vacancy if the membership of the audit committee is less than three directors. Whenever there is a vacancy on the audit committee, the remaining members may exercise all of the committee’s powers as long as a quorum remains in office. Subject to the foregoing, the members of the audit committee will be appointed by the Board annually, and each member of the committee will remain on the committee until the next annual meeting of shareholders after his or her appointment or until his or her successor is duly appointed and qualified.

2.4 Chair

The Chair shall be responsible for leadership of the audit committee, including overseeing the scheduling and preparation of meetings, presiding over meetings, and making regular reports to the Board. The Chair will also regularly liaise with the Chief Executive Officer and Chief Financial Officer of the Company and the lead partner of the Company's external auditors.

3. Meetings

The audit committee will meet regularly at times necessary to perform the duties described in this Charter in a timely manner, but not less than four times a year. Meetings may be held at any time deemed appropriate by the committee. The audit committee may meet in person and/or by telephone or electronic means and, other than with respect to the review of the audited financial statements and the notes and Management's Discussion and Analysis relating to such financial statements with management and the independent auditor, may act by means of a written resolution signed by all members entitled to vote on the matter.

The audit committee shall meet at least annually with the Company's Chief Financial Officer and external auditors in separate executive sessions, and will meet without management present at every regular meeting.
